 **Fourth, Courses Which You Teach:**

| No. | Department               | Subject            | Year |
|-----|--------------------------|--------------------|------|
| 1   | basic science department | Anatomy&physiology | 2014 |
| 2   |                          |                    |      |
| 3   |                          |                    |      |
| 4   |                          |                    |      |
| 5   |                          |                    |      |
| 6   |                          |                    |      |
| 7   |                          |                    |      |
| 8   |                          |                    |      |
| 9   |                          |                    |      |

 **Fifth, Thesis which was supervised by:**

| No. | Thesis Title | Department | Year |
|-----|--------------|------------|------|
| 1   |              |            |      |
| 2   |              |            |      |
| 3   |              |            |      |
| 4   |              |            |      |
| 5   |              |            |      |
| 6   |              |            |      |
| 7   |              |            |      |

 **Sixth, Conferences which you participated:**

| No. | Conferences Title  | Year | Place                           | Type of Participation |
|-----|--|------|---------------------------------|-----------------------|
| 1   | Symposium on Tuberculosis  | 2015 | college of nursing              | presence              |
| 2   | Lecture on obesity   | 2015 | college of nursing              | lecturer              |
| 3   | Life Statistics Workshop   | 2015 | college of nursing              | presence              |
| 4   | Lecture on autism  | 2015 | college of nursing              | presence              |
| 5   | Seminar on violence against women  | 2015 | college of nursing              | presence              |
| 6   | Conference of the Faculty of Medicine of<br>flourishes                           | 2015 | college of medicin<br>alnahrain | presence              |
| 7   | First Conference of BiologicaSciences  | 2015 | college of nursing              | presence              |
| 8   | College of Medicine Conference<br>aspiration towards                             | 2015 |                                 | presence              |
| 9   | Immunohisto training course  | 2015 |                                 | presence              |
| 10  | Seminar on hormonal changes in<br>women  | 2016 | college of nursing              | presence              |
| 11  | Lecture on environmental pollution in<br>Iraq                                    |      | college of nursing              | presence              |
| 12  | Participation in the training course<br>Manual                                   | 2016 | college of nursing              | presence              |
| 13  | First scientific conference for<br>es for upper                                  | 2016 | college of nursing              | presence              |
| 14  | Seminar on Smoking Risks and Prevention<br>Cance                                 | 2016 | college of nursing              | presence              |
| 15  | Medical Technical Conference   | 2016 | college of nursing              | presence              |
| 16  | Symposium on acne  | 2016 | college of nursing              | presence              |
| 17  | The birth workshop without pain  | 2016 | college of nursing              | presence              |
| 18  | Workshop (Art of Etiquette and dealing<br>with important personalities           | 2016 | college of nursing              |                       |
| 19  | Workshop (the role of norean surgery in<br>the treatment of obstetrics and       | 2016 | college of nursing              |                       |
| 20  | Lecture on new developments in the<br>treatment of infertility and pipe children | 2016 | college of nursing              |                       |

|    |  |      |                                 |          |
|----|--|------|---------------------------------|----------|
| 21 | Symposium on drugs, their effects and treatment        | 2016 | college of nursing              |          |
| 22 | Lecture errors in the results of pathological analysis | 2016 | college of nursing              |          |
| 23 | Lecture ovulation events                               | 2016 | college of nursing              |          |
