

Curriculum Vitae

1- Personal information

Name: Dr. Zahid Jassim Mohammed

Date of Birth: 18/12/1973

Marital status: Married

Number of children: Three (3)

Religion: Muslim

Specialization: Clinical Biochemistry

Occupation: University Professor

Degree: Assistant Professor

Work Address: College of Nursing / University of Baghdad

Mobile (Viber): +964-7901984014, (What's up): +964-7728502213

Email: dr.zahid@conursing.uobaghdad.edu.iq

2- Educational Qualifications.

Degree	University	College	Year
Ph.D.	Voronezh state University / Russian Federation	Science	2004
M.Sc.	Al-Mustansyria University	Science	1998
B.Sc.	Al-Mustansyria University	Science	1996

3- Career progression.

Career	Place	From - To
Faculty member	College of nursing / University of Baghdad	2005 - present

Head of medical and basic science unit	College of nursing / University of Baghdad	2006 -2010
Assistant Dean	College of nursing / University of Baghdad	2007 -2012
Head of basic science unit	College of nursing / University of Baghdad	2014 -2018
Faculty member	College of nursing / University of Baghdad	2018- present

4- University Teaching

College	University	From - To
College of nursing	University of Baghdad	2005 - present

5- Courses taught by the faculty member.

Faculty	Courses	From - To
Basic Medical Science	Microbiology – bacteriology 2 nd class	2005 - present
Basic Medical Science	Microbiology – parasitology 2 nd class	2007 -2010
Basic Medical Science	Infection control – 4 th class	2014 - present
Basic Medical Science	Patient safety and risk management – Master program	2015 - present

6- Thesis and Dissertation which supervised :

- 1- Impact of work place psychological hazards upon nurse midwives quality of care at delivery rooms in Maternity Hospitals in Thi-Qar Governorate (Master in nursing science – 2017)

- 2- Impact of Work Environment upon Housekeeping Services Staff's Health Status at Medical City in Baghdad City. (Master in nursing science – 2018)
- 3- Effectiveness of an Educational Program on Nurses' Knowledge about Communicable Diseases Control in Al-Nassiriyah City Hospitals. (Master in nursing science – 2020)

Dissertation and thesis under supervision (2020):

- 1- Effectiveness of an Educational Program on Nurses' Awareness of Preventive Measures for Infection Control at Primary Health Care Centers in Ramadi City (Ph.D. dissertation)
- 2- Impact of Patients' Adherence to Direct Observed Treatment Short-Course Strategies upon Tuberculosis Disease Complications in Amara City. (Ph.D. dissertation)
- 3- Parents' knowledge and Attitudes toward Immunization and its Relation with Pediatric Immunization Compliance at Primary Health Care Centers in Karbala City. (MNS thesis)
- 4- Assessment of the Risk Factors and Complications of Pregnancy Inducing Hypertension for Pregnant Women in Al-Basra Maternity and Children Hospital. (MNS thesis)
- 5- Effectiveness of an Educational Program on Nurses' Caring Knowledge of Children with Solid Tumors at The Oncology Center in Al-Hussein Medical City in Holy Karbala Governorate. (MNS thesis)

Dissertation and thesis under supervision (2021):

- 1- Influence of Workplace Violence upon Job Satisfaction among Nurses at Primary Health Care Centers in Samawah City. (MNS thesis)
- 2- Study of Incidence, Complications and Prevention of Continuous Positive Airway Pressure (CPAP) Nasal Injuries at Neonatal Intensive Care Units of Pediatric Hospitals in Baghdad City

Scientific conferences and symposia

No	Title	Place	year
1	Seventh Scientific Conference of Nursing	College of	1999
2	Tenth Scientific Conference of Nursing	College of	2005
3	Twelfth Scientific Conference of Nursing	College of	2006
4	Eleventh Scientific Conference of Nursing	College of	2007
5	Thirteenth Scientific Conference of Nursing	College of	2008
6	Fourteenth Scientific Conference of Nursing	College of	2009
7	Fifteenth Scientific Conference of Nursing	College of	2010
8	Seventeenth Scientific Conference of Nursing	College of	2011
9	eighteenth Scientific Conference of Nursing	College of	2012
10	Nineteenth Scientific Conference of Nursing	College of	2013
11	First Scientific Conference of Medicine City Department	Department of Medicine City	2008
12	Second Scientific Conference of Medicine City Department	Department of Medicine City	2009
13	First National Scientific Conference of Nursing Colleges	Department of Medicine City	2010
14	National Symposium of Nursing Colleges in Iraq	College of	2010
15	The Third Scientific Conference of Clinical Pharmacy	Department of Medicine City	2010
16	Workshop to discuss the curriculum vocabulary	Duhok city	2012
17	First Scientific Competencies Conference	Department of Medicine City	2013
18	Second Scientific Competencies Conference	Department of Medicine City	2014
19	Third Scientific Competencies Conference	Department of Medicine City	2015

6- Scientific and research activity

- ✓ **Participation in the Challenge Conference (Department of Medicine) on 17-18 / 12/2014**
- ✓ **Prepared a lecture by us on Virus Corona (dangerous and challenging) in December 2014.**
- ✓ **Preparation of a lecture for students on (Instructions for student discipline ... reality and application) in October 2014 within the lectures of continuing education and educational guidance.**
- ✓ **Workshop of life statistics in nursing 10/2/2015**
- ✓ **Symposium on how to publish in international scientific journals on 26/2/2015**
- ✓ **Lecture on Pharmacokinetic processes on 5/3/2015**
- ✓ **Lecture on obesity - causes and treatment on 17/3/2015**
- ✓ **External participation in the conference of M. Medicine on 21-22 / 12/2016**
- ✓ **Participation in the first specialized conference for graduate students of the College of Science / University of Baghdad 5-6 / 11/2016.**
- ✓ **Participation in the scientific symposium held by the Center for Development and Continuing Education in the Ministry of Health in cooperation with WHO on 22/3/2017**
- ✓ **"The medical errors concepts and patient's safety symposium"**
- ✓ **Participation in the conference of the Iraqi Nursing Syndicate.**
- ✓ **Participation in the forum of graduates of the college of Nursing.**
- ✓ **Participation in scientific research in the second conference of graduate studies in the college of Nursing on 10-11 / 5/2016.**
- ✓ **Lecture within the project "Ndoti" of the Ministry of Higher Education and Scientific Research: entitled "HBOT medicine" on 13/3/2016.**

- ✓ Lecture within the project "Ndoti" of the Ministry of Higher Supplying and Scientific Research: entitled "MRSA superbug" on 15/5/2016.
- ✓ External participation in the conference of M. Medicine on 13-14 December 2017
- ✓ Participation in the Conference of the Faculty of Nursing for Graduate Studies for 2018
- ✓ Participation in the 3rd International Conference on Genetic Engineering and Biotechnology on 25-26 October 2017.
- ✓ Participation in the conference of the Faculty of Nursing on 7-8 March 2018.
- ✓ Lecture within the project "Ndoti" of the Ministry of Higher Education and Scientific Research: entitled
- ✓ A lecture entitled "All what you need to know about candidasis" on 17/4/2018.
- ✓ A lecture entitled "Tips to avoid infection" teaching branch of Basic Sciences on 8/5/2018.

Other scientific activities:

Inside college	Outside college
Evaluation of scientific researches	Evaluation of scientific researches

Research projects in the field of specialization to serve the environment and society or the development of education: Appendix no. (1)

Membership of local scientific commeties.

- 1 - Chairman of the Special Chemical Subcommittee in the Faculty of Nursing for the handling of toxic chemicals and dangerous

- 2- Member of the Committee for Scientific Promotions 2016 - 2018
- 3- Chairman of the Scientific Committee in the branch of basic sciences.
- 4- Member of the Advisory Board of the Iraqi National Journal of Nursing Specialties.
- 5- Member of the Standing Committee to strengthen the quality and reliability systems.
- 6- Member of the Committee to update the curricula of the Faculty of Nursing
- 7- Member of the Clearing Committee in the Faculty of Nursing
- 8- Head of the Examination Committee / Graduate Studies / Faculty of Nursing 2018.

11- Thanks Books:

- Received many thanks books from the President of the University of Baghdad and the Dean of the College of Nursing and the Dean of the College of Science.

12- Languages.

- ☑ Arabic Language
- ☑ English language
- ☑ Russian language

Appendix no. (1)

Published articles in biology, biochemistry and physiology
